Rosters

TEAM SNAP: It is parents responsibility to set **AVAILABILITY in Team Snap.** You have to check if you will be at the game by Sunday night so we can plan for the weekend. If you do not do it then you will not be rostered for games and we will have a player in your place

ROSTERS: All of the rosters for games are sent out by latest Wednesday morning on **LFC This Week** (The link can always be found on the home page 'LFC This Week'). We use this European Model to set rosters and have players in their games and also maybe play up, across, down for so many development reasons. PLEASE MAKE SURE YOU GO ALL THE WAY ACROSS THE LINE YOUR PLAYER IS ON. If you cant make anything rostered for, which we hope is not the case, then email us back right away
